

Welcome back from break :) Here are the minutes from the first meeting of the semester:

#### UPDATES

- Recycling- not doing Recyclemania but will be following it; work on Scavnet and Dump and Run.
- Energy- met with building coordinators and going to meet with them again; pick a student liaison for each building advocate
- Retrofitting- pick 2-3 buildings a semester to work on
- Landscaping
- Greenhouse
- Funding (grant opportunity, green fund, student fee)
- Power Shift 2011- April 15-18th; largest youth climate change related conference; trying to get groups started to work on planning and recruitment (goal is to get 50 people)
- Farmers Market- starts tomorrow (1/27); need student volunteers
- Outreach- pack the Union event (Saturday Feb 5th 12-2pm)
- Administration- still pushing car-sharing program
- ESW- 1st GBM next Tuesday; projects in Mexico, Haiti, and Peru. March 5th fundraising dinner: \$20 fee
- Ecologic- ordering tshirts; Earthfest; planning bakesale; planning movie series; finish Zero Waste Center
- No-idling policy?

#### GROUP ACTION ITEMS

- Recruitment- reach out to other clubs (like Terracafe); get more coordination on speakers/movies that are happening
- Power Shift- meet in McNeil room at 5 this Friday; anyone interested in tabling at Union on Saturday Feb 5th (contact Kaori Bigler: [biglek@rpi.edu](mailto:biglek@rpi.edu))? Figure out costs and fundraising.
- Farmers Market- need people mainly from 10-11. You don't have to stay the whole time (11-3pm)
- Recycling- rethink what can be recycled in single stream- recontact WM; work on Scavnet/dump and run
- Energy- creating site to formulate program goals; picked liaisons for building managers.
