

SSTF Meeting 2/01/2012

Pack the Union 1-4 this Saturday the 4th! We need people to help table!

- Updates
 - Terra was awesome, we had like 90 people
 - CDCG meeting, hoping to get them to help grow stuff in RPI greenhouses, cool visions of possible things to do with the greenhouse, need more collaboration
 - SSTF's goal is coordination and collaboration with various groups around campus
 - Idea: Terra Facts as a fact about a project, get people more interested in sustainability
 - Farmers market tomorrow; will have produce!
 - Mainly need to work on advertising, a Facebook event will be created every week, invite your friends
 - EcoLogic—we played games last night
 - Sam is writing this week's Poly article about the conference in Davos
- SSTF Performance Planning Meetings
(https://docs.google.com/document/d/10R93ia_XxFcerIK4BW7EWNMSzofU6MrtYvap9cZIEOM/edit?hl=en_US)
 - HASS—talk to Atsushi (Elizabeth)
 - Confusion over who is supposed to schedule the meeting with the architecture dean
 - Faculty Senate—talk to Atsushi (Elizabeth)
- Building Advocates
 - No real updates
- First recycling meeting is next Tuesday at 3pm
- Solar Panels for Vasudha!
 - Empire Solar
 - Sam wants to get a consultation first to see where would be a good place to put the solar panels
 - Idea: on top of Nason, might not be best place though
- Apparently I'm supposed to put this in the minutes:
