

SSTF Meeting 2/08/12

Discussion about Climate Change Talk

Updates

- BAI
 - Had a short meeting earlier today
 - How do we set up an email list? Advocates want one.
- Recycling
 - Finalizing locations—RSE, RAHPS, and behind Commons
 - May 11th and May 14-17
 - Advertising at EarthFest and Spring Fling
- Sustainability in Administration
 - People and projects
 - Example: new environmental science engineering major that they're trying to implement
 - Meet with people who are probably going to be involved in the future
 - How should it be run? Centralized? Who should chair? (Probably one of us for first couple meetings and then they'll elect someone.)
 - Homework for next week: think about projects. You will be graded.
