

## SSTF Meeting 2/22/12

### Updates

- Database
  - Tree identification
  - Need GIS
- Terra Café—over 90 people! (93)
- BIA—no meeting today, have heard back from some people about the network (through Linked In)
- ESW—biodigestor project
- EcoLogic—ESW gave a presentation last night and then we talked about consumption and why people consume
  - Next week we'll be making a sustainable food guide
- Performance Plans—Research meeting
  - Reducing environmental impact of labs on campus
  - What about labs in the engineering building? Can the machines be turned off?
- Recycling
  - Got approval for advertising at Spring Fling
- Garden by Walker Labs
  - Converting to a xeriscape garden
  - Need volunteers
  - More details to come
- Still more recycling bins need to be given out

Broke into small groups.
