

SSTF Meeting 3/07/12

Various events/goings-ons

- Charrette?
- Educational conference
- Sustainability fee
 - Why did it fail? Misinformation?
- Transportation
 - Bike plan, bike sharing hub? (Skidmore is doing the same thing)
 - Battery chargers, probably getting a grant for these
 - Moving last 7 buses to propane by 2015
 - Saving 30% on fuel by using propane
 - All P&T vehicles alternative energy by 2015
 - 17/24 of passenger vehicles @ commencement will be alt fuel

Club Updates

- Terra Café—122 people
- ESW—Haiti project meeting yesterday
- EcoLogic—We viewed the Lorax yesterday. It was a lot of fun.
- Vasudha—chair elections recently
 - EcoQuest <http://ecologic.union.rpi.edu/wiki/EcoQuest> (more details to follow)
- Recycling—we can store stuff from Rencycle
- MobilizeU—someone in EcoLogic should talk to Andrew Chung about this
- Green Greeks
 - Energy auditor coming in
- Poly articles
 - Next person has all of Spring Break to write it!
 - We need 7 more people to write articles
- Someone from SSTF NEEDS to attend next Poly meeting to confirm next year's column. Rachel's probably going. Send her any thoughts.
- Composting/Arboretum
 - Want leaves
 - Date/time: Weekend? GM day off?
- Farmers Market coordinator
 - We need one for next fall
- We also need someone to coordinate recycling at Relay for Life
- Transportation update
 - 4th light is being put in near Polytech, shuttle will stop in parking lot at some point
- Office of Research wants to do something to get everyone on campus involved
