

## SSTF Minutes 4/04/12

- Updates
  - ESW had 2<sup>nd</sup> of 3 sustainability lectures, next week's will be on consumerism and sustainability. (4pm Tuesday in Union 3202.)
  - ESW got an anonymous \$1000 donation, as well as donations from the School of Engineering and President's Office.
  - EcoLogic—discussed sustainability classes a little, making a doc on their FB group reviewing sustainability-related classes, also talked about Earth Fest.
  - EWB—will table at Earth Fest, discussion about one of their projects.
  - Terra Café—had over 90 people today!
  - Green Greeks—working on a website, planning a composting training recommended for Greeks but other people from the Troy community and sustainability groups are welcome to come. Might be chickens there.
  - Solar Car—went to NM with a car, car kind of worked but had some issues.
  - Recycling—poster is half done, there will be a FB event so invite your friends, will need volunteers for Relay for Life, sorting cans after Relay for Life.
  - Relay for Life—sustainability team, register! Costs \$10 and includes dinner and breakfast.
  - Shuttles—shuttle to Price Chopper and Walmart during the weekends leaving from the Union.
  - *Revenge of the Electric Car* screening—4-6pm 4/16 in DCC 330.
- Elections will be in 4 more weeks
- Earth Fest
  - SSTF will be tabling at Earth Fest
  - Yes, it's on 4/20, no, there will be no shenanigans
  - Attract people to table?
    - Poster, project, take over one of EcoLogic's usual booths?
- Bike Share program
  - Idea: have some sort of bike lock that people can use their ID to swipe out, ride from Point A to Point B
    - Logistics would be difficult though
  - Bike lanes
    - Discussion of where bike lanes could be made
- Poly Online
  - Perhaps the Poly could send a PDF out to people, using an email sign-up list.
