Budget/Grant

- Asia will go over potential grants to apply for
 - [Awesome Foundation](#), apply for specific projects for up to \$1000
 - They meet once a month to decide whether to fund us or not

- Application is online and quite simple

Projects

- Jeremy & Kay Sun (Talk about Solar Water & Meeting w Oliver Holmes)
 - Suggested getting it in a place that is far away from the main boiler like RHAPS, Stack, or Bryck
 - Next step would be to try to get a water meter in place to measure the water flowing in to each apt. and the water temperature
 - Could work as a back-up/supplemental heater
 - Figure out which places are electric
 - Figure out if it's possible to get Hot Water Meters in places we're interested in—will help develop ROI
- Sodexo
 - Meeting 4:15 in Sage 5711
- Water
 - Jessica Onion's Idea
 - Native plants as run-off alleviation
 - May become a more long-term project

Create Videos (Kay Sun)

- Monthly data visualizations, talk about issues
- Short, minute long
