

### **Meeting Notes 5/10/16**

Last meeting!! Lots of food :)

Kenny is on the alumni advisory board

**Officer meeting this Sunday at 10AM for transition**

### **SSTF's Goals for Fall 2016**

- Finish the EEC
- Sprinklers during rain
- Get money (grants)
- Get more freshmen
- Sustainability Report
- Eco dorm competition
  - Start with Vasudha or BarH and then try to bring it to more dorms
    - Let RAs know at least a month beforehand
  - Don't make it a competition between halls, make it so everyone gets a bit
  - On a Semesterly basis
- Sustainability Newsletter
- Monthly visualizations! To add to the newsletter or a monthly video
- Greenhouse in the EEC
- Make Blueprint/Floorplan for the EEC
- EEC Eco Spa Night twice a semester **OR Yoga Classes**
- Walk a mile in the Earth's shoes
- Partner with Players
  - They could be the actors in one of our monthly videos
    - Dramatic representation of earth's problems
- Outdoor classroom (look into creating this w/ the senate)
  - Outdoor educational space
-

### **Pizza and Paint Thursday 3-6!**

- In the EEC

### **Feedback**

- More outreach
- More frequent newsletters
- Bigger push for service learning with us
- Better relationship with other clubs--including not eco clubs
- When new people come in, push them towards a current project
  - Ask their interests & recommend based on that
  - Talk about leadership opportunities
  - Resume builder
- Member retention
- Keep project momentum
  - Keep having meetings & having deadlines
- Really flexible timeline
  - Weekly deliverables
- Submit more Poly Articles (monthly?)
- Fix the website
