

W. Brewster Earle - President of Comfort Systems USA Energy Services

a. **Read the Sustainability Report Impressed** → but thinks:

1. **Trying to do too much** → **SSTF should focus in on projects**

2. **If: we put our interest toward a few projects** → **complete them**

b. **Can help with Green Roof Feasibility Analysis ***1*****

(Focusing), having a goal can really get things done **(get work to resonate with the group)**

At meetings set timeline → **should have dates certain things are done by:**

Action Items: What are the deliverables for what next week (will be in SSTF minutes)

Projects - (Active) - (Passive Listening Only Involvement) SSTF work Directly on Active ONLY
<-Green Roof - Trayfree - Green Residence Life - Campus Recycling->(Active Projects)

Trayfree - (Active) - Need method for Tracking Effectiveness

Tray Collection (main issue) + some people have injuries - they need a tray

Green Roof - (Active) ↔ W. Brewster Earle *1*****

a. Issue is funding **(sell it in terms of economics)**

Sustainability Week - (Active) - Idea Planning Session ↔ Ecologic-discuss-l@lists.rpi.edu

Energy Display - (passive) - Talk to the Building Coordinators (SSTF Followup)

a. Occuring → by other means and people

New Building Design - (passive) - Building Policy - SSTF Not Involved

Sustainable Housing - (passive) - renovating facilities→ (Residence Halls)

Greening Residence Life - (Active) -

Green Greeks - (passive) - Hosting 15% workshop every house is required to attend

a. Dean of Students helped formulate a plan to make houses more sustainable

Campus Recycling - (Active) -

a. Bidding out new contracts → single stream recycling is a contract requirement.

b. Building Audit - what is **(Actual Collection)?** Start with Residence Halls. Talk → Jerry Fiola

c. Anything can go in single stream includes (aerosol cans)

d. **Create an effective streamlined plan - currently too many bins, confusing**

e. **Involve incoming freshmen (IMPORTANT)**

f. **Need good Signage** - current signs are confusing - **Do Promotional**

Bio-Digesting - (passive) - ESW Project

Biodesiel - (passive) - Presenting to Professor Garde Determine pay back percentage
