

1. SSTF's purpose will become clearer when IWSTF forms thus **modification of bylaws** may be unnecessary, but it is also possible that a dialogue about modification of bylaws may be needed to address:

- a. Funding requests: Obtaining money from E-board the Senate or the President's Office
 - i. (Administrative) Funding for FSAE is minimal -> because they get funding from General Motors
- b. SSTF shape: (club, committee, free council)

2. ***IMPORTANT Who is here over the Summer? Email cordad@rpi.edu so we can get a formal list**

3. **IWSTF - "First meetings will be solicitations of interest"**

- a. Laban will be sending an email looking for interest. After convening IWSTF will narrow to committed core people

4. **Robyn** would like to be a resource (**Interim Sustainability Coordinator**) to the forming Office of Sustainability.

- a. Creation of suggestions that will aid as support material to office is necessary; Robyn wants ideas
- b. **Facilitate dialogue** - email her: marqur@rpi.edu **AND**

Go to <http://lists.rpi.edu/> add yourself to ecologic-discuss-l@lists.rpi.edu begin emailing on this list

5. **Website for Sustainability** in General - Barrett working on mockup

Dr. Jackson had the idea the website having two structural parts

- a. Analysis Section where pre and post analysis of Charrette ideas is displayed
- b. Interactive Element
 - i. Comments on old ideas and new ideas can be posted – content can still be added
 - ii. Selected metrics for progress can be discussed
 - iii. Discussion of how to work ideas into performance plans
- c. Dr. Jackson would also like to see another charrette next spring talking about developing sustainability ideas that have an impact on the broader global community.
- d. The Charrette website has formed a mental connect and is one symbol of green things on campus (**Good**)

6. **The POLY: Has already sent out printing bids, we need to talk to about reducing printing by 1000**

7. **Biodiesel meeting today (4-29-09) in SGS at 4**

8. **Face the Waste had about 150 volunteers donate 200 -300 hours of time GREAT JOB**

- a. **The contest had 1000 answers from 500 people a tenth of the school**
- b. Getting a home for the cubes - they were left outside "in the cold" People commented on the storage aesthetics

9. Dumpsters are single stream but the recycling bins are not if we could address this.
