b. To stop climate change we need to be at 350 ppm of CO2 we are currently at 385ppm.

c. Join 350 (Rally) on October 24th - Contact cummia3@rpi.edu

Project Pericles

a. D4D – Debate for Democracy on the Road

i. October 30th and November 13 1.5 hour commute

ii. Public policy one day workshop

iii. Contact Eddie Knowles knowle@rpi.edu

During this meeting, presentation of SSTF and Green Corp topics occurred. Everyone was asked to indicate their top four projects of interest. Next meeting we will break into groups to talk about topics with each contact person in finer detail. At the attached URL is a list with descriptions of project topics. http://docs.google.com/View?id=dfwrwgc3_14f4t3435s

If you are unable to make meetings but still want to work on projects send your top four choices to Ben Hunt huntb@rpi.edu

If you desire more information or have questions about meeting topics email cordad@rpi.edu
